Action for the River Kennet (ARK) is a rivers trust for the Kennet and Pang catchments. We are the only organisation dedicated to protecting and restoring these rivers, streams and tributaries for the benefit of wildlife and people. We carry out river habitat restoration, catchment management, education and engagement as well as collecting data and evidence. We campaign and influence for better policies to protect rivers.

Our rivers include the Kennet and Pang and its tributaries, including the Og, Lambourn, Enborne, Aldbourne, Shalbourne, Dun, Froxfield and Inkpen Streams as well as the Foudry, Burghclere, Kingsclere Baughurst and Echchinswell Brooks.

As an ARK Supporter you will receive a regular newsletter, invitations to events and details of our volunteering programme. For additional membership forms please email julie@kennetandpang.org or visit www.kennetandpang.org
